Project Engineer - Preconstruction, Titusville, Florida

*David Boland, Inc. – We build for national security. We build for our communities.
We build for the future!*

Do you want to be part of a team that builds for America's military and civilian servants? Does building critical infrastructure that supports and protects our country and its citizens excite you? Consider joining our Preconstruction team! David Boland, Inc., a general contractor located on the Space Coast of Florida, has over 47 years of proven success specializing in the construction of Federal Government projects nationwide. Our team pursues diverse opportunities from aviation and aerospace to manufacturing, healthcare, and education, in the \$10M to \$75M range, all in support of our country.

We are recruiting for a Project Engineer to join our Preconstruction team in our Titusville, Florida office.

Estimating and preconstruction responsibilities will include, but not be limited to, reviewing and understanding plans and specifications, working with the preconstruction team to solicit and evaluate subcontractor and supplier pricing, estimating (quantity takeoffs), bidding, buyout, and preparation of subcontract agreements and purchase orders.

The successful candidate will also be exposed to working with the project management team to manage subcontractors and suppliers, review of submittals and shop drawings, maintenance of various logs, utilization of document control tools, utilization and updating of project schedules, preparation and submission of payment requests, participation in change management, preparation and review of project related correspondence, and provide assistance and support to the project site teams.

Requirements:

- Graduate of an engineering or building construction program
- Ability to successfully manage multiple and competing priorities
- Proficiency in Excel and MS Office Suites
- Work in a team environment
- Strong written, verbal, computer and organizational skills

Excellent performance is rewarded with competitive salaries, a generous incentive compensation program, a comprehensive benefits package, including 401(k) with match, medical, dental, short-term disability, and life insurance, as well as professional development opportunities.
