

# We're Hiring!

## Project Manager / Project Superintendent Philpott Dam Landslide Remediation, Bassett, Virginia

David Boland, Inc. – We build for national security. We build for our communities.  
We build for the future!

Do you want to be part of a team that builds for America's military and civilian servants? Does building critical infrastructure that supports and protects our country and its citizens excite you? Consider an opportunity at the ground level with our Project Management team! Our team pursues diverse opportunities from aviation and aerospace to manufacturing, healthcare, and education, in the \$10M to \$75M range, all in support of our country.

An opportunity currently exists for an experienced **Project Manager / Project Superintendent** to lead the **Philpott Dam Landslide Remediation** project in **Bassett, Virginia**. This is an opportunity to join a well-established organization that has spent over forty-eight years providing military grade management to projects nationwide.

As a Project Manager / Project Superintendent, you will be responsible for:

- Leading all field operations and construction activities, providing leadership to the project staff, and making day-to-day decisions that are required to ensure a successful, safe, and timely project delivery and completion.
- Leading and managing the quality control and safety staff to ensure the quality requirements of the contract are attained and safe work environment is maintained.
- Ensuring the work is performed and the project milestones are achieved in accordance with the project schedule, including, but not limited to developing the Four-Week Short Interval Schedule ("SIS"), communicating of the schedule requirements to the subcontractors and suppliers; presenting the SIS and obtaining buy-in from subcontractors at weekly meetings, and incorporating changes, as appropriate.
- Conducting weekly subcontractor and owner meetings.
- Developing and executing corrective action plan(s) to rectify or prevent impacts to the SIS.
- Utilizing a 60-Day Lookahead to ensure key completion dates and milestones are achieved.
- Interacting with client representatives.
- Ensuring work is performed and milestones are achieved in accordance with the Project Schedule.
- Managing the subcontractors and suppliers to ensure project objectives and quality requirements are met.
- Ensuring documentation of project activities.
- Controlling expenses within the budget constraints.

- Resolving issues by developing and implementing innovative approaches, resulting in reducing costs and expediting the work.
- Monthly payment requests and Project Schedule update.
- Project close-out.

**BS in construction-related discipline preferred, along with a minimum of ten (10) years of relevant construction experience.**

The company offers financial strength, the latest technology, and skilled colleagues, all in an engaging environment to optimize employee talent and personal fulfillment. Employee satisfaction is reflected by the length of service years, and friendly working environment.

Excellent performance is rewarded with competitive salaries, a generous incentive compensation program, a comprehensive benefits package, including 401(k) with match, medical, dental, short-term disability, and life insurance, as well as professional development opportunities.

David Boland, Inc. is a Drug-Free Workplace/Equal Opportunity Employer and ensures that all employment decisions are made on a non-discriminatory basis, and without regard to sex, race, color, age, national origin, religion, disability, genetic information, marital status, sexual orientation, gender identity/reassignment, citizenship, pregnancy or maternity, veteran status, or any other status protected by applicable national, federal, state or local law.

**HOW TO APPLY:**
