## Project Superintendent Final Denial Barriers South Gate, Patrick Space Force Base, Florida

*David Boland, Inc. – We build for national security. We build for our communities.  
We build for the future!*

Do you want to be part of a team that builds for America's military and civilian servants? Does building critical infrastructure that supports and protects our country and its citizens excite you? Consider joining our Project Management team! David Boland, Inc., a general contractor located on the Space Coast of Florida, has over 48 years of proven success specializing in the construction of Federal Government projects nationwide. Our team pursues diverse opportunities from aviation and aerospace to manufacturing, healthcare, and education in the \$10M to \$75M range, all in support of our country.

An opportunity currently exists for an experienced **Project Superintendent** to lead, manage, coordinate, and direct construction activities for the **Final Denial Barriers South Gate** project at **Patrick Space Force Base, Florida**.

As a Project Superintendent, you will be responsible for:

- Ensuring the work is performed, and the project milestones are achieved in accordance with the project schedule, including, but not limited to, developing the Four-Week Short Interval Schedule ("SIS"), communicating the schedule requirements to the subcontractors and suppliers; presenting the SIS and obtaining buy-in from subcontractors at weekly meetings, and incorporating changes, as appropriate.
- Conducting weekly subcontractor meetings.
- Developing and executing corrective action plan(s) to rectify or prevent impacts to the SIS.
- Utilizing a 60-Day Lookahead to ensure key completion dates and milestones are achieved.
- Developing and maintaining the Material and Equipment Delivery Schedule.
- Managing subcontractors and suppliers to ensure project objectives are met.
- Interfacing with the Project Manager and the Client representative.

**The successful candidate shall possess a minimum of ten (10) years of experience on ground-up construction projects and a minimum of five (5) years of experience on similar-sized and type projects.**

Excellent performance is rewarded with competitive salaries, a generous incentive compensation program, and a comprehensive benefits package, including 401(k) with match, medical, dental, short-term disability, and life insurance, as well as professional development opportunities.

**HOW TO APPLY:** Qualified candidates should send a resume/project list to [careers@dboland.com](mailto:careers@dboland.com).
