We're Hiring!

Site Safety and Health Officer
10MW Generation Plant with Microgrid Controls, Fort Stewart, Georgia

Do you want to be part of a team that builds for America's military and civilian servants? Does building critical infrastructure that supports and protects our country and its citizens excite you? Consider joining our Project Management team! David Boland, Inc., a general contractor located on Florida's Space Coast, has over 50 years of proven success specializing in the construction of Federal Government projects nationwide. Our team pursues diverse opportunities from aviation and aerospace to manufacturing, healthcare, and education in the $10M to $75M range, all in support of our country.

An opportunity currently exists for an experienced **Site Safety and Health Officer** for the **10MW Generation Plant with Microgrid Controls** project at **Fort Stewart, Georgia.**

As a Site Safety and Health Officer, you will be responsible for the implementation and administration of the accident prevention program to ensure a safe and healthy work environment for all employees on the project.

Requirements:

- Five (5) or more years of cumulative construction safety experience, within the last ten (10) years, managing or implementing a Safety and Occupational Health (SOH) program on projects similar in type, size, and complexity; or three (3) or more years of such experience, within the last ten (10) years, when combined with a safety-related degree or a third-party, nationally accredited Safety and Occupational Health (SOH) certification or designation that requires a minimum of three (3) years of experience to obtain.
- Working knowledge of EM-385-1-1;
- Completion of the 30-Hour OSHA Construction Safety course within the last five (5) years; and
- Twenty-four (24) hours of formal safety training as follows: confined space, scaffolding, cranes and rigging, excavation/trenching, fall protection, and electrical within the last five (5) years.

Excellent performance is rewarded with competitive salaries, a generous incentive compensation program, a comprehensive benefits package, including 401(k) with match, medical, dental, short-term disability, and life insurance, as well as professional development opportunities.

HOW TO APPLY: Qualified candidates should send a resume/project list to careers@dboland.com.
